CONTRACTUAL OBLIGATIONS - Cancellation and Refund Policy for Non-VA Students

This Refund Policy is for any individual course, taken by an individual. When refunds are made, they are distributed first to the funding source providing the tuition payment.

- The school must refund all money paid if the applicant is not accepted. This includes instances where a starting class is canceled by the school.
- The school must refund all money paid if the applicant cancels within five business days (excluding Sundays and holidays) after the day the contract is signed or an initial payment is made, as long as the applicant has not begun training.
- The school may retain an established registration fee equal to ten percent of the total tuition cost, or one hundred dollars, whichever is less, if the applicant cancels after the fifth business day after signing the contract or making an initial payment. A "registration fee" is any fee charged by a school to process student applications and establish a student record system.
- If training is terminated after the student enters classes, the school may retain the registration fee, plus a percentage of the total tuition as described in the following table:

If the student completes this amount of training:	The school may keep this percentage of the tuition cost:
One week or up to 10%, whichever is less	10%
More than one week or 10% whichever is less but less than 25%	25%
25% through 50%	50%
More than 50%	100%

- When calculating refunds, the official date of a student's termination is the last day of recorded attendance:
 - When the school receives notice of the student's intention to discontinue the training program; or,
 - When the student is terminated for a violation of a published school policy which provides for termination; or,
 - When a student, without notice, fails to attend classes for thirty calendar days.
- All refunds must be paid within thirty calendar days of the student's official termination date.

CONTRACTUAL OBLIGATIONS - Cancellation and Refund Policy for VA Students

OXARC agrees that if a veteran student fails to enter the course, withdraws, or is discontinued at any time prior to completion of the course, the unused portion of paid tuition, fees and other charges will be refunded or the debt for such tuition, fees and other charges will be canceled on a prorated basis, as follows:

1. Registration Fee. An established registration fee in an amount not to exceed \$10 need not be subject to proration. Where the established registration fee is more than \$10, the amount in excess of \$10 will be subject to proration. OXARC currently does not have a registration fee.
2. Breakage Fee. Where the school has a breakage fee, it may provide for the retention of only the exact amount of breakage, with the remaining part, if any, to be refunded. OXARC currently does not have a breakage fee.
3. Consumable Instruction Supplies. Where OXARC makes a separate charge for consumable instruction supplies, as distinguished for laboratory fees, the exact amount of the charges for supplies consumed may be retained by any remaining part must be refunded.
4. Books, Supplies and Equipment. (a) OXARC will make a refund in full for the amount of the charge for unissued books, supplies and equipment when: (1) The school furnishes the books, supplies and equipment; (2) The school includes their costs in the total charge payable to the school for the course; (3) The veteran or eligible person withdraws or is discontinued before completing the course. (b) The veterans or eligible person may dispose of issued items at his or her discretion even if they were included in the total charge payable to the school for the course.
5. Tuition and Other Charges. Where the school either has or adopts an established policy for the refund of the unused portion of tuition, fees and other charges subject to proration, which is more favorable to the veteran or eligible person than the approximate pro rata basis as provided in this subparagraph, such established policy will be applicable. Otherwise, the school may charge a sum which does not vary more than 10% from the exact pro rata portion of such tuition, fees, and other charges that the length of the completed portion of the course bears to its total length. The exact proration will be determined on the ratio of the number of days of instruction completed by the student to the total number of instructional days in the course.
6. Prompt Refund. In the event that the veteran, spouse, surviving spouse, or child fails to enter the course, or withdraws, or is discontinued there from at any time prior to completion of the course, the unused portion of tuition, fees and other charges paid by the individual shall be refunded promptly. Any institution which fails to forward any refund due within 30 days after such a change shall be deemed, prima facie, to have failed to make a prompt refund, as required by the subparagraph.

Notice to Buyer: Do not sign this agreement before you read it in its entirety or if it contains any blank spaces. I understand that this agreement constitutes a legal binding contract between me and the school only when it has been fully completed, signed and dated by myself and the School Director or Student Services Coordinator prior to the time instruction begins. I certify that (1) I have read and understand the Cancellation and Refund Policy and the complaint procedure, and (2) I have received a copy of the school catalog or brochure, and (3) I am entitled to an exact copy of this Enrollment Agreement, school catalog, or any other paper I may sign. I hereby agree to abide by the conditions set forth herein.

If you have not started training, you may cancel this contract by providing written notice of such cancellation to the school and its address shown on the contract. The notice must be postmarked not later than midnight of the fifth business day (excluding Sundays and Holidays) following your signing this contract or the written notice may be hand delivered to the school within that time. In the event of a dispute over timely notice, the burden to prove service rests on the applicant.

I further understand that upon completion of the program, I am not guaranteed placement assistance or employment. Upon successful completion of the program, I will receive a Certificate of Completion.

Unfair Business Practices: Any changes in this agreement shall not be binding on either myself or the school unless such changes have been acknowledged in writing to the School Director or Student Services Coordinator and by myself or my parent or guardian if I am a minor. It is considered an unfair business practice for the school to sell, discount or otherwise transfer this agreement without the signed written consent of the student or his/her financial sponsors and a written statement notifying all parties that the Cancellation and Refund Policies continue to apply.
