

Spokane Roofing Co.

6/16/06

Dear Jeff.

In answer to your letter I am perfectly satisfied with the new roof. I saw no reason to criticize all the work done by the crew.

How did I hear about your Company. I read your add in the S. P. Paper. Then I asked my neighbors and friends about Spokane Roofing. The reply was always the same they thought Spokane Roofing Co was probably the best & that you have been in business a long time.

The clean up job? I must say I've never seen anything done so well.

as for the web site I marked yes. She have so much traffic here on Brita and would like to keep it as low as possible many children like to play here on Brita. So for that reason I marked yes.

Sincerely
Esther Olson
