
Official Manufacturer's Certificate

VPI Quality Windows

Credit for Non-Business Energy Property

The Building Product operations of VPI Quality Windows are headquartered at 3420 E Ferry, Spokane, WA 99202. VPI Quality Windows manufactures exterior windows and patio doors that, when purchased with Sunclean/Solarban 70XL or Solarban 70XL, meet ENERGY STAR® criteria and, in a double glazed unit, meet or exceed the prescriptive criteria established by the IECC for all climate zones in which the windows or patio doors are installed. These also meet or exceed ENERGY STAR program requirements (as in effect at the time of installation).

In accordance with the Internal Revenue Notice 2006-26, and to certify VPI Quality Windows for purposes of tax credits available under Section 25C of the Internal Revenue Code ("IRC"), VPI Quality Windows represents that their window and patio door products, when purchased with one of the glass packages mentioned above, are "Eligible Building Envelope Component(s)" that qualify for the federal income tax credit allowed under Section 25C of the IRC

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct, and complete.

Ken W. Modica
National Sales Manager
VPI Quality Windows

This Certificate is intended to show that VPI Window and Patio Door Products are Eligible Building Envelope Components under the relevant IRC sections. Homeowners should consult their tax advisor to determine whether they qualify for any potential income tax credits.
